# FILL THE BUS FOOD DRIVE

To most people, summer means vacation  
-- But for others, summer means hunger.

With children home for the summer, many students no longer have access to the free or low cost meals they receive throughout the school year. School meal programs end and donations slow --- adding more pressure on residents of Northwest Indiana who struggle daily to provide healthy meals for themselves and their families. So...the **Lake County Bar Association** has teamed up with

the **Food Bank of Northwest Indiana** to help fight hunger Over the summer.

The LCBA Summer Food Drive will begin  
June 5, 2017 and end August 7, 2017.
