

# **NOTICE OF CROWN POINT CITY COURT CANCELLATIONS**

Due to health and safety concerns related to COVID-19 (Corona Virus), and in conjunction with the City Administration, State and CDC recommendations, and the Indiana Supreme Court Order granting Lake County Courts Emergency Plan Petition, the Crown Point City Court has implemented the following precautions:

1. All Court hearings from March 17, 2020 through April 24, 2020 are cancelled. These cases will be rescheduled to June or July, 2020. Cases scheduled for April 28, 2020 and in May 2020 will remain as previously scheduled unless later ordered otherwise. The Clerk's Office will notify all parties by mail of their new court date, and you may view your case status and hearing dates online at <https://public.courts.in.gov/mycase/>
2. The Clerk of Court Office will remain open and staffed for phone calls, fax and electronic filings, but the Court and Clerk's Office are closed to the public effective March 17, 2020.

3. If defendants or attorneys have urgent criminal misdemeanor cases they believe must be addressed prior to June or July, they may call the City Court Clerk's Office for instructions on how to request more immediate action, which requests will be addressed by the Court, if urgent, on a case-by-case basis.
4. Persons who receive traffic tickets who wish to pay them are encouraged to pay online at <https://public.courts.in.gov/pay/>

Thank You for your cooperation during these difficult times.

**SO ORDERED ON MARCH 17, 2020.**
