HAMMOND, INDIANA

Filed in Open Court

CAUSE NO. 45D01-1701-CB-1 MAR 18 2020

*Lorena Andrews*  
CLERK LAKE SUPERIOR COURT

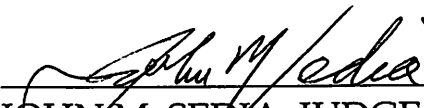

**ORDER REGARDING DISCOVERY, MEDIATION, DISPOSITIVE  
MOTION AND RESPONSE DEADLINES**

The spread of the COVID-19 pandemic has necessitated the taking of action to ameliorate its impact. Consistent with this necessity, and with the Orders of the Indiana Supreme Court of March 13, 2020 and March 16, 2020, the Court has taken action to vacate and reset its jury trials and many of its status and motion hearings, which, in turn, necessitates a clarification of issues relevant to these hearings.

IT IS THEREFORE ORDERED by the Court that from the date of this Order through May 4, 2020:

1. All discovery, mediation and dispositive motion deadlines which were set prior to March 18, 2020 are extended and shall remain open until further order of Court.
2. All requests for extensions of time to respond to motions are granted provided that they are timely filed in compliance with the applicable statutes, trial rules and local rules.
3. The Lake County Bar Association is respectfully requested to send a mass email of this Order to all its Members.

Dated March 18, 2020
