MEMORANDUM

Date: May 14, 2020

To: Attorneys and Parties with cases in
Lake Superior Court, County Division

From: Julie Cantrell, Senior Judge, Lake Superior Court, County Division

As operations begin to return, Lake Superior Court, County Division, will be attempting to limit the number of individuals and in-person hearings conducted in the courtroom in order to comply with social distancing protocols being established and put in place.

If you have an upcoming hearing in Lake Superior Court, County Division, you may be invited to attend remotely using the Zoom application on your computer, tablet, or phone. Lake Superior Court, County Division, encourages all attorneys to contact the individual courtrooms for information on how to schedule these virtual hearings.

The Court is encouraging that in-person hearings only be held when necessary and requests all attorneys moving to continue any regularly scheduled hearing to e-file their Motion to Continue through Odyssey at least ten (10) days in advance of their hearing date. The Court is currently waiving the requirement for Defendants charged with a felony to personally attend each and every hearing unless a Violation of Pre-Trial Release or a Violation of Probation has been filed.

These Zoom hearings may be recorded but, due to bandwidth capabilities, will not be live-streamed at the time of the hearing. Any third party, witness, or victim wishing to view any hearing can contact the court for information on how to view the hearings in a muted capacity. A copy of any recorded hearing can be made available upon request.
