Re: Return to in-person SDP hearings in Lake Circuit Court

Please be notified that Specialized Driving Petition hearings will return to IN-PERSON hearings as of July 1, 2021.

The court's previous order regarding Covid protocols remains in place and as such, anyone with flu-like symptoms, or who has been exposed to Covid, should continue to avoid appearing in person. Such symptoms or exposure will remain good cause for a remote hearing request.

Any questions regarding this memorandum may be directed to Vera Mileusnic, Circuit Court Administrator at (219) 755-3488 or mileuvn@lakecountyin.org.
